

# Hydro Power

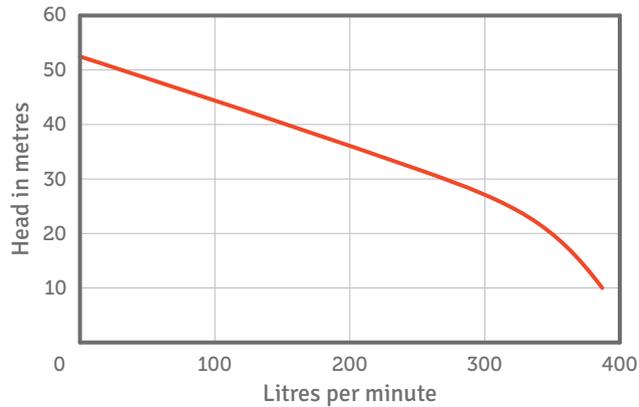

POWERED by **HONDA**  
**HydroTron**

ORANGE PUMPS - PUMP WARRANTY  
**1**  
YEAR

MANUFACTURER - ENGINE WARRANTY  
**1**  
YEAR

## Features – Benefits

- Ductile thermoplastic impeller – Resilient strength
- Aluminium construction – Durable, long-lasting
- Efficiently constructed – Affordably priced
- Roll Frame included – Portable, easy to carry
- Low to moderate fire prevention

**MODEL** HP550-RF    **ENGINE** Honda GP160, 5.5hp    **3 OUTLET** 2" - 1½" - 1½"

# Hydro Mini

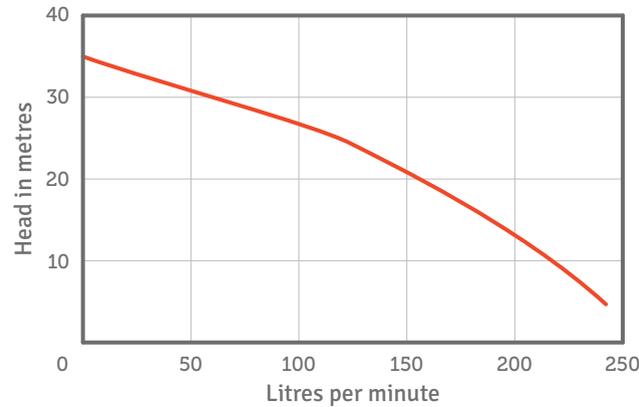

**HydroTron**

ORANGE PUMPS - PUMP WARRANTY  
**1**  
YEAR

ORANGE PUMPS - ENGINE WARRANTY  
**1**  
YEAR

## Features – Benefits

- Lightweight – Portable, easy to carry
- Four-Stroke engine – Emission standard compliant
- Nut & Tails – Facilitate pipe connection
- Large base – Rough ground support
- Building, farm or worksite drainage

**MODEL** HM200    **ENGINE** Loncin 2hp    **1 OUTLET** 1 inch

# Engine Drive Range

**Orange**  
**PUMPS**

Australian Owned & Operated  
Since 1996

POWERED by **HONDA** **YANMAR** **HydroTron**

# Bare Shaft Utility Pump

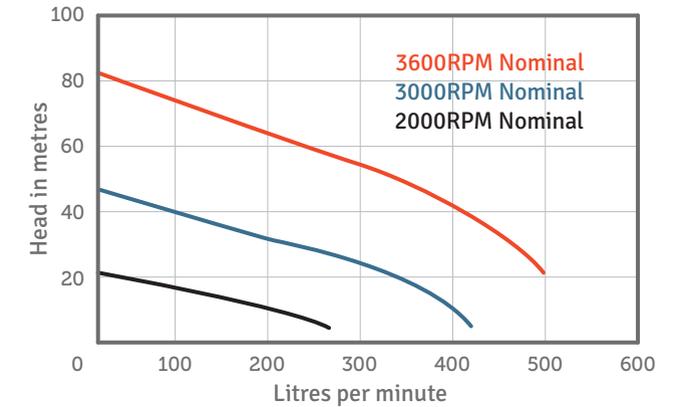

**Pedestal Type**  
Pulley 2 A-type  
2 belt – A belt  
3 inch drive pulley  
3600 RPM max drive

ORANGE PUMPS - PUMP WARRANTY  
**3**  
YEAR

## Features – Benefits

- Torque tuned impeller – Optimum flow performance
- Heavy-Duty construction – Single cast impeller, diffuser
- Large reinforced casing – Quick self-priming
- Neck ring seal – Hydraulically efficient
- Wide vane impeller – Solids handling

**MODEL** UP-BS    **ENGINE** 1:1 engine to drive ratio    **3 OUTLET** 2" - 1" - 1"

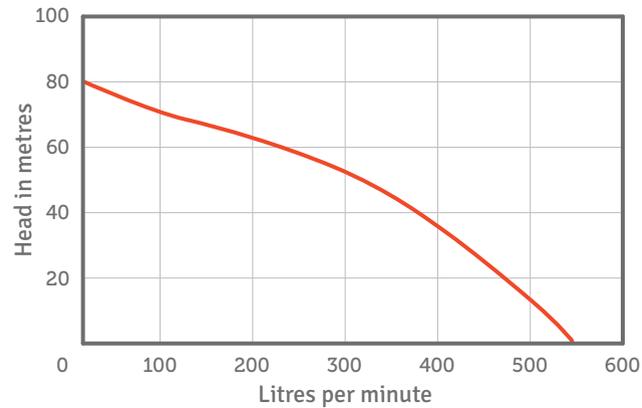

# Utility Pump Petrol

## Features – Benefits

- Torque tuned impeller – Optimum flow performance
- Heavy-Duty construction – Single cast impeller, diffuser
- Large reinforced casing – Quick self-priming
- Neck ring seal – Hydraulically efficient
- Wide vane impeller – Solids handling

MODEL	ENGINE	3 OUTLET
UP650	Honda GX200, 6.5hp	2"- 1"- 1"
UP650-RF	Honda GX200, 6.5hp	2"- 1"- 1"
UP700E	Subaru EX21, 7hp Electric Start	2"- 1"- 1"

# Utility Pump Diesel

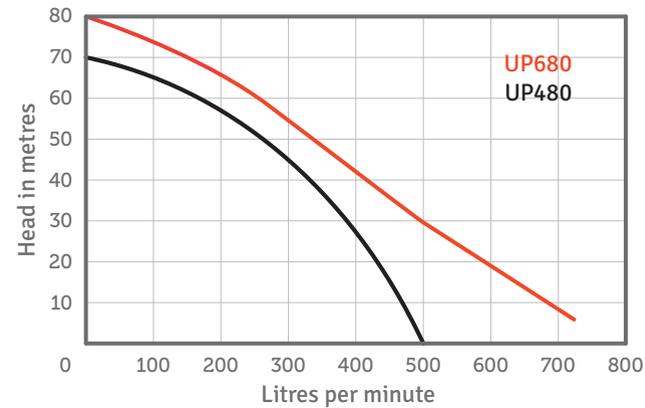

**YANMAR**

## Features – Benefits

- Torque tuned impeller – Optimum flow performance
- Heavy-Duty construction – Single cast impeller, diffuser
- Large reinforced casing – Quick self-priming
- Neck ring seal – Hydraulically efficient
- Wide vane impeller – Solids handling

MODEL	ENGINE	3 OUTLET
UP480	Yanmar L48N, 4.7hp Electric Start	2"- 1"- 1"
UP480-RF	Yanmar L48N, 4.7hp Electric Start	2"- 1"- 1"
UP680-RF	Yanmar L70, 6.7hp Electric Start	2"- 1"- 1"

# High Volume Pump

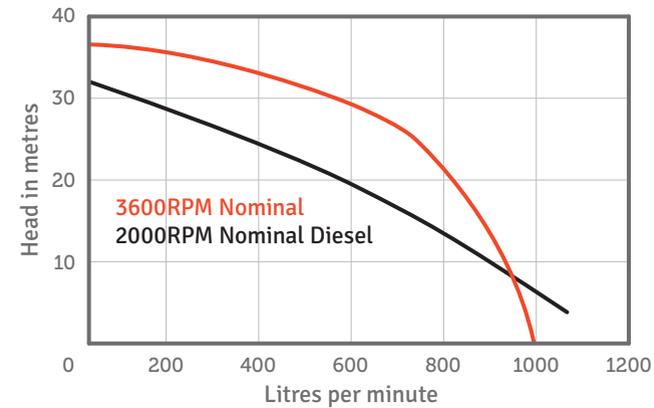

POWERED by **HONDA**

**YANMAR**

## Features – Benefits

- 3 inch Discharge – High volume output
- Open vane impeller – Trash pump solids handling
- Aluminium construction – Durable, long-lasting
- Inbuilt clacker valve – Fast self-priming
- WP650 includes easy to carry roll frame

MODEL	ENGINE	1 OUTLET
WP650-RF	Honda GX200, 6.5hp	3 inch
WP480	Yanmar L48N, 4.7hp Electric Start	3 inch
WP480-RF	Yanmar L48N, 4.7hp Electric Start	3 inch

# Moulded Chemical Pump

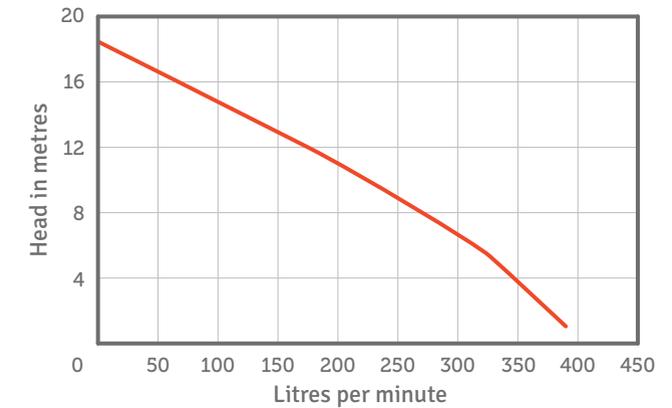

POWERED by **HONDA**

**YANMAR**

## Features – Benefits

- Nylon Casing & internals – Farm chemical spraying
- Viton seals & O-rings – Chemical resistant
- Inbuilt clacker valve – Fast self-priming
- Engine mount pads – Absorbs vibration stress
- Lightweight – Portable, easy to carry

MODEL	ENGINE	1 OUTLET
MCP650	Honda GX200, 6.5hp	2 inch
MCP650-RF	Honda GX200, 6.5hp	2 inch
MCP480	Yanmar L48N, 4.7hp Electric Start	2 inch
